I. **Introduction**

II. **In the Bible stories of *God's call*, what do we learn about the Lord?**

- We see God as *relational*
- We see God as *merciful*
- We see God as *practical*
- We see God as *responsive*

III. **What was God's continual message to Abraham?**

- Promising land
- Promising descendants
- Promising future blessing

IV. **What we learn from *Abraham's encounters with God*:**

- God calls us to a faith beyond our parents (Genesis 11:31 – 12:1)

- God speaks to us about things not yet seen (Genesis 12:6-7; Genesis 13:13-18).
- God communicates to us in multiple ways, confirming his word (Genesis 15:5-6).
- God invites us to trust him with any unfulfilled promises (Hebrews 11:8-16).
